

# New Premium C.V. Axles

AUTOMOTIVE & LIGHT DUTY TRUCK

## Including New OE Features:

**EXCEEDS OEM QUALITY, FIT AND FUNCTION:** NAPA® New Premium C.V. Axles are manufactured and engineered to the highest quality standards in the industry, ensuring they meet or exceed OEM manufacturers specifications in fit, form and function. All NAPA New Premium C.V. Axles are 100% brand new and manufactured in our state-of-the-art ISO 9001:2015 and IATF 16949.2016 facility.

### KEY BENEFITS:

- All necessary attached hardware & grease included\*
- ABS-consolidated and assembled with **Correct ABS Ring** to assure correct fit and function\*
- **Premium Neoprene Dust Boots** provide greater flexibility and durability
- **Precision Machined Solid Steel Heat Treated Center Shafts** improve performance and durability
- **Stainless Steel Band Clamps** provide better resistance to deformation and stretching
- **Precision Rolled Splines & Threads** for longer life
- **OE Hollow Tube Design** helps reduce torque steer under hard acceleration\*

### FEATURING:

- OE flat spline design eliminates spline play and reduces noise, vibration & harshness\*
- OE AAR socket design provides greater articulation, operating angles & reduces NVH (noise, vibration and harshness)
- OE 8 ball socket design provides greater strength & durability\*
- Precision machined & heat-treated cages, races & bearings
- High strength spring steel retaining clips\*
- All new dust rings & guards\*
