

New Premium Drive Shaft

AUTOMOTIVE & LIGHT DUTY TRUCK

**100% New and Exceed OEM Specifications
in Fit, Form & Function**

NAPA® New Drive Shaft Assemblies are manufactured and engineered to the highest quality standards in the industry, ensuring they meet or exceed OEM manufacturers specifications in fit, form and function. All NAPA Drive Shaft Assemblies are 100% brand new and manufactured in our state-of-the-art ISO 9001:2008 and TS 16949:2009 facility.

KEY BENEFITS:

- **Premium Forged 3 Layer Sealed U-joints** provide maintenance free life and can handle higher torque loads
- **U-Joint Cups** are packed with premium lithium grease providing better lubrication and resistance to extreme temperatures
- **Premium Durable Coating** protects shaft from premature corrosion
- **TPE (Thermoplastic Elastomers) Dust Boots** provide better resistance to deformation, debris, oils, heat cycling and ozone compared to neoprene boots
- **Stainless Steel Band Clamps** provide better resistance to deformation and stretching
- **All units are 100% machine balanced to ensure trouble free service life from vibration and noise.**

Special low friction sliding joint spline coating extends service life and eliminates movement that causes clunking noises
